

XOLO TOKEN (XOLO)

THE ANCESTRAL DOGE

XOLOITZCUINTLE

THE XOLOITZCUINTLE IS AN "ANCESTRAL DOG", OUR ANCESTORS BELIEVED IT TO BE THE GOD DOG BECAUSE IT WAS THE ONE THAT TRANSPORTED SOULS TO THE UNDERWORLD.

THE XOLOITZCUINTLE IS THE DOG OF ALL AMERICA BY EXCELLENCE, REPRESENTING OUR PRE-HISPANIC CULTURES. THAT IS WHY THE COMMUNITY WILL RETURN THE GREATNESS AND VALUE THAT IT DESERVES, BECAUSE HE IS THE DOG OF THE PAST AND WILL BE THE DOG OF THE FUTURE.

¿What is XOLO TOKEN (XOLO)?

XOLO TOKEN is a community - driven Binance Smart Chain meme token and the one that will benefit the most foundations of both, animals (dogs) and people, as well as token holders. Xolo token is America represented in a currency. We will provide the best service through our support team that is 100% committed to this cause.

XOLO TOKEN will have a well-attended community, our customer support will be ready 24 hours a day, 365 days a year to generate confidence in our holders in all of our networks. We trust you and we expect the same from our community.

PHILOSOPHY XOLO TOKEN

" The Ancestral Dog " is the crypto asset that is made to help, the developers put their hearts in this Project, 50% of the total supply of the coins will be burned, and we promise to publicly demonstrate the help that XOLO TOKEN (XOLO) will donate to our preselected foundations and to the foundation that the community will choose, we believe in LOYALTY AND TRANSPARENCY FOR USERS, we needed a project that really helps others.

And we are proud to tell you that we will achieve it thanks to you.

GOAL

Make donations through blockchain technology to help non-profit organizations.

SPECIFIC OBJECTIVES

- Donate 6% of the total supply to two foundations chosen by the project team through the XOLO token exchange to cover part of their budget.
- Incentivize with 3% of each transaction by redistributing tokens to all holders to obtain profits for each minute.
- Send 3% of liquidity funds to the pancakeswap pool for each transaction, out to maintain the stability and liquidity of the project.
- Send 2% of each transaction automatically to the wallet of the foundation chosen by the community helping it to cover part of its operating expenses
- Develop an NFT market ecosystem through blockchain to have a community of at least 500.000 people.

ECOSYSTEM

Community

Our holders are an important part of this project, since they are the ones that will give the value to XOLO TOKEN (XOLO) by keeping their tokens in HOLD.

Developer team

We have a large team of programmers, designers, content creators, social media administrators with experience in blockchain and cryptocurrencies working and supporting the community.

Foundations

The foundations are the most important since they give all the meaning to this project and the purpose they have, which is to help people and dogs.
